FREEDMEN'S BUREAU PRESERVATION PROJECT

This National Archives microfilm publication is part of a multiyear project to microfilm the field office records of the Bureau of Refugees, Freedmen, and Abandoned Lands (Freedmen's Bureau). The project was made possible by the United States Congress through The Freedmen's Bureau Records Preservation Act of 2000 (Public Law 106-444). When completed, all of the field records for the States of Alabama, Arkansas, Delaware, Florida, Georgia, Kentucky, Louisiana, Maryland, Mississippi, Missouri, North Carolina, South Carolina, Tennessee, Texas, Virginia, and for the District of Columbia will be available on microfilm. For microfilm availability and description, consult the current edition of the National Archives publication *Microfilm Resources for Research: A Comprehensive Catalog*. INTRODUCTION

On the 90 rolls of this microfilm publication, M1903, are reproduced the previously unfiled records of the Georgia staff offices and subordinate field offices of the Bureau of Refugees, Freedmen, and Abandoned Lands, 1865-1872. These records consist of bound volumes and unbound records, containing materials that include letters and endorsements sent and received, monthly reports, registers of patients, orders and circulars issued and received, and other records relating to freedmen's complaints and contracts. These records are part of the Records of the Bureau of Refugees, Freedmen, and Abandoned Lands, Record Group (RG) 105.

This film series completes the reproduction of all Bureau records created in Georgia between 1865 and 1872. Many of these records were reproduced in 1969 in National Archives Microfilm Publications M798, *Records of the Assistant Commissioner for the State of Georgia, Bureau of Refugees, Freedmen, and Abandoned Lands, 1865-1869*, and M799, *Records of the Superintendent of Education for the State of Georgia, Bureau of Refugees, Freedmen, and Abandoned Lands, 1865-1870*.

HISTORY AND ORGANIZATION

The Bureau of Refugees, Freedmen, and Abandoned Lands, also known as the Freedmen's Bureau, was established in the War Department by an act of Congress on March 3, 1865 (13 Stat. 507). The life of the Bureau was extended twice by acts of July 16, 1866 (14 Stat. 173), and July 6, 1868 (15 Stat. 83). The Bureau was responsible for the supervision and management of all matters relating to refugees and freedmen, and of lands abandoned or seized during the Civil War. In May 1865, President Andrew Johnson appointed Maj. Gen. Oliver Otis Howard as Commissioner of the Bureau, and Howard served in that position until June 30, 1872, when activities of the Bureau were terminated in accordance with an act of June 10, 1872 (17 Stat. 366). While a major part of the Bureau's early activities involved the supervision of abandoned and confiscated property, its mission was to provide relief and help freedmen become self-sufficient. Bureau officials issued rations and clothing, operated hospitals and refugee camps, and supervised labor contracts. In addition, the Bureau managed apprenticeship disputes and complaints, assisted benevolent societies in the establishment of schools, helped freedmen in legalizing marriages entered into during slavery, and provided transportation to refugees and freedmen who were attempting to reunite with their families or relocate to other parts of the country. The Bureau also helped black soldiers, sailors, and their heirs collect bounty claims, pensions, and back pay.

The act of March 3, 1865, authorized the appointment of Assistant Commissioners to aid the Commissioner in supervising the work of the Bureau in the former Confederate states, the border states, and the District of Columbia. While the work performed by Assistant Commissioners in each state was similar, the organizational

structure of staff officers varied from state to state. At various times, the staff could consist of a superintendent of education, an assistant adjutant general, an assistant inspector general, a disbursing officer, a chief medical officer, a chief quartermaster, and a commissary of subsistence. Subordinate to these officers were the assistant superintendents, or subassistant commissioners as they later became known, who commanded the subdistricts.

The Assistant Commissioner corresponded extensively with both his superior in the Washington Bureau headquarters and his subordinate officers in the subdistricts. He prepared reports that he sent to the Commissioner concerning Bureau activities in areas under his jurisdiction, based upon reports submitted to him by the subassistant commissioners and other subordinate staff officers. He also received letters from freedmen, local white citizens, state officials, and other non-Bureau personnel. These letters varied in nature from complaints to applications for jobs in the Bureau. Because the assistant adjutant general handled much of the mail for the Assistant Commissioner's office, letters were often addressed to him instead of to the Assistant Commissioner.

In a circular issued by Commissioner Howard in July 1865, the Assistant Commissioners were instructed to designate one officer in each state to serve as "general Superintendents of Schools." These officials were to "take cognizance of all that is being done to educate refugees and freedmen, secure proper protection to schools and teachers, promote method and efficiency, correspond with the benevolent agencies which are supplying his field, and aid the Assistant Commissioner in making his required reports." In October 1865, a degree of centralized control was established over Bureau educational activities in the states when Rev. John W. Alvord was appointed Inspector of Finances and Schools. In January 1867, Alvord was divested of his financial responsibilities, and he was appointed General Superintendent of Education.

An act of Congress, approved July 25, 1868 (15 Stat. 193), ordered that the Commissioner of the Bureau "shall, on the first day of January next, cause the said bureau to be withdrawn from the several States within which said bureau has acted and its operation shall be discontinued." Consequently, in early 1869, with the exception of the superintendents of education and the claims agents, the Assistant Commissioners and their subordinate officers were withdrawn from the states.

For the next year and a half the Bureau continued to pursue its education work and to process claims. In the summer of 1870, the superintendents of education were withdrawn from the states, and the headquarters staff was greatly reduced. From that time until the Bureau was abolished by an act of Congress approved June 10, 1872 (17 Stat. 366), effective June 30, 1872, the Bureau's functions related almost exclusively to the disposition of claims. The Bureau's records and remaining functions were then transferred to the Freedmen's Branch in the office of the Adjutant General. The records of this branch are among the Bureau's files.

Constrained by limited resources, Southern opposition, and the politics of Reconstruction, the Bureau faced an enormous challenge in its efforts to assist the freedmen and refugees. Its relief efforts, without question, saved thousands of southerners from starvation. Its attempts to assist freedmen to become self-sufficient, to provide public education, administer justice, and, to a lesser degree, to provide land, all worked with varying degrees of success to lessen the difficulties during the transition from slavery to freedom. One of the Bureau's greatest legacies is the body of records it created and received during the course of its operations. These records are arguably some of the most important documents available for the study of the Federal Government's policies, efforts to reconstruct the South, and Southern social history and genealogy.

THE FREEDMEN'S BUREAU IN GEORGIA

Organization

Bvt. Maj. Gen. Rufus Saxton, who had directed the "Port Royal Experiment," was appointed Assistant Commissioner for South Carolina, Georgia, and Florida. Saxton established his headquarters at Beaufort, SC, in June 1865, and assigned Gen. Edward A. Wild the responsibility for Bureau affairs in part of Georgia. In September 1865, after Wild was relieved from duty, the office of Assistant Commissioner for Georgia was established, and Brig. Gen. Davis Tillson was appointed as Acting Assistant Commissioner, with exclusive control of all matters concerning the Bureau in Georgia. Tillson reported to General Saxton in South Carolina until December 1865, when he was ordered to report thereafter directly to Commissioner Howard at Washington. Generally, the records pertaining to Georgia and Florida that were created during this early period are included among those of the Assistant Commissioner of South Carolina.

The organization of the Bureau in Georgia was similar to that of the Bureau headquarters in Washington. The Assistant Commissioner's staff included an assistant adjutant general, an assistant inspector general, a chief quartermaster and disbursing officer, and a superintendent of education. Three officers served as Assistant Commissioner in Georgia between 1865 and 1869 and located the Bureau offices in four different cities during that period. General Tillson first established his headquarters at Augusta in September 1865 but moved it to Savannah in October 1866. Col. Caleb C. Sibley succeeded Tillson as Assistant Commissioner in January 1867, and 2 months later he moved the headquarters from Savannah to Macon. It remained there until July 1867, when the office was transferred to Atlanta. In October 1868, Maj. John R. Lewis replaced Sibley as Assistant Commissioner. Lewis served until the office was discontinued in May 1869. From January to May 1869, Major Lewis combined the duties of Assistant Commissioner, with those of superintendent of education. After the office of the Assistant Commissioner was discontinued, Lewis continued to serve as superintendent of education until May 1870.

The major subordinate field offices for the Bureau in Georgia, for example, included those with headquarters at Albany, Americus, Athens, Atlanta, Augusta, Columbus, Macon, and Savannah. Under the direct supervision of the subassistant commissioners were the civilian and military agents. Occasionally, the Bureau retained military officers in a civilian capacity after the termination of their military service. For a list of selected Georgia subordinate field office personnel and their dates of service, see the Appendix.

Activities

The major activities of the Freedmen's Bureau in Georgia generally resembled those conducted in other states. The Bureau issued rations and provided medical relief to both freedmen and white refugees, supervised labor contracts between planters and freedmen, administered justice, and worked with benevolent societies in the establishment of schools.

When General Davis Tillson took over as Assistant Commissioner for the Freedmen's Bureau in Georgia in September 1865, many of the major cities and towns in the state were troubled with overcrowding, disease, and poverty. In the cities of Macon, Atlanta, Augusta, and Savannah, freedmen and refugees were living in some of the most crowded and deplorable conditions, and many were in dire need of food and clothing, shelter, and medical attention.¹ Convinced, however, that Federal Government relief should be temporary and solely for the needy, General Tillson issued an order on October 3, 1865, prohibiting the distribution of rations to freedmen and refugees who were able-bodied but refused work. To discourage idleness and dependency, Tillson further ordered that only those persons who were able to provide for themselves would be allowed to remain in the towns and cities. Those who desired to stay, said Tillson, "must be compelled, if necessary, to go to the country and accept places of labor found by themselves, or for them, by officers or agents of the Bureau."²

Tillson's orders were strictly enforced. One month after his pronouncement, rations issued in Savannah had been reduced from 120,000 to 60,000 per month. For the month of June of 1866, the number of rations issued for the entire State of Georgia totaled less than 20,000. However, in spite of the Bureau's "self-help" policy, limited resources, and the belief that local governments should play a greater role in providing relief for the destitute, the Georgia Bureau issued some 847,669 rations from June 1865 to September 1866. Although the Bureau's actions prevented wholesale starvation and untold suffering, the agency's rations-relief efforts were far less extensive than what Bureau officials had done during the same period in Alabama, North Carolina, South Carolina, and Virginia. Tillson's successors, Assistant Commissioners Caleb C. Sibley (January 1867–October 1868) and John R. Lewis

(October 1868–May 1869) continued to follow the policy of providing limited rations relief. During their tenures, rations were issued only in emergencies and for the most part to hospitals and asylums.³

The Georgia Bureau's policy of temporary relief for the needy also guided its approach in providing medical care and assistance for the destitute. Like its ration program, the Bureau viewed its responsibility as one of providing temporary medical relief, primarily in cases of extreme emergencies. The Bureau believed that the ultimate responsibility for providing medical care to those in need lay with Georgia civil authorities. J. W. Lawton, who served as surgeon-in-chief under General Tillson, saw the use of dispensaries as the best means of administering medical relief and the most effective approach to encourage civil officials to take on some of the cost for operating them. Lawton and his successor at various times maintained dispensaries at Albany, Americus, Brunswick, Columbus, Darien, Newton, St. Catherine's Island, St. Marys, and Stone Mountain. The Bureau's medical department also opened hospitals with the idea of eventually turning them over to state and local authorities. The Bureau maintained hospitals at Atlanta, Augusta, Columbus, Macon, and Savannah. At the height of its medical operations (1866–67), however, the agency employed just 13 physicians. Nonetheless, with its limited and over burdened medical staff, the Bureau treated more than 5,000 freedmen for various ailments and vaccinated some 20,000 freedmen and refugees against smallpox from September 1, 1865, through September 20, 1866. By September 1867, the number of freedmen treated by Bureau nearly tripled. At the end of June 1868, close to 17,000 freed men, women, and children received treatment. Despite the Bureau's efforts to treat the weak, the sick, and infirm, the mortality rate among freedmen remained high. By late 1868, most of the Bureau's medical activities ceased, and care for the destitute was turned over to local authorities.⁴

In Georgia, as in other states under the Bureau's jurisdiction, the regulation of written labor contracts between planters and freedmen was of paramount concern. General Tillson's order of October 3, 1865 (Circular Number 2), which restricted the issuing of rations only to those in need, also instructed his subordinates to "make immediate and vigorous efforts" to secure work for unemployed freedmen "where fair compensation and kind treatment will be secured to them." Upon arrival at his

post in early September 1865, Tillson found the labor system in Georgia in disarray. Able-bodied freedmen were being paid from \$2 to \$7 per month. Many were of the notion that the Federal Government was planning to distribute land to them at Christmas or New Year's, and thus large numbers of freedmen were refusing to sign labor contracts. Planters, on the other hand, were convinced that the Bureau was the "champion" of the freedmen and totally insensitive to their concerns about freedmen and their unwillingness to labor, and were thus making little effort to prepare for the planting season.⁵

On December 22, 1865, in an effort to remove "false and mistaken impressions" held by the both planters and freedmen, Tillson issued wage guidelines that both parties were expected to follow. Under the new rules, freedmen had the right to choose their own employers, but those freedmen who refused to sign contracts after January 10, 1866, "where employers offer good wages and kind treatment," had to accept contracts that the Bureau made for them. In upper and middle Georgia, where the land was poor and unsuited for raising large quantities of crops, Tillson instructed his officers to secure contracts paying men \$12-\$13 per month, and \$8-\$10 dollars per month for women. Freedmen were to provide for their own clothing and medicines. In other parts of the state and along the coast and southwestern Georgia, where "good crops" could be raised, men were to be paid \$15 per month, including board and lodging, and women \$10 per month. In areas where planters preferred to pay a share of the crop, the order required payment of "from one-third the gross to one half the net proceeds."⁶

Realizing that not all planters would comply with his new wage guidelines, Tillson instructed his subordinates to call on the military to enforce his orders whenever necessary. He was aware in spite of his orders, many of the contracts being signed, even some approved by his own agents, were substandard and not in compliance with his wage schedule. He made clear to both his agents and the planters that such contracts would not be recognized. To emphasize the importance of and his commitment to fair contracts and compensation for freedmen, Tillson offered transportation to freedmen to such areas as southwest Georgia and the Mississippi Valley where wages were higher. In a November 1866 report to Commissioner Howard, Tillson indicated that he had issued 381 orders for transportation for some 2,947 men and 1,013 children.⁷

Safeguarding rights and securing justice for freedmen was a major area of concern for the Freedmen's Bureau. Following the Civil War, several Southern states enacted a series of laws commonly known as "black codes," which restricted the rights and legal status of freedmen. Freedmen were often given harsh sentences for petty crimes and in some instances were unable to get their cases heard in state courts. In a circular issued by Commissioner Howard on May 30, 1865 (Circular Number 5), Assistant Commissioners were directed to "adjudicate, either themselves or through officers of their appointment, all difficulties arising between negroes themselves, or between negroes and whites or Indians." In response to Howard's circular, General Tillson issued an order on November 15, 1865 (Circular Number 4), instructing his officers to hear and make determinations in cases involving freedmen in which the disputed sum did not exceed \$50, or the punishment did not exceed \$50 or 30 days' imprisonment. Agents were also told that they could "try offences committed by or against freedmen, provided the sentence imposed does not exceed one hundred and fifty dollars or imprisonment for at hard labor for sixty days." Tillson further ordered that "It is preferred that all cases of any importance . . . whenever under the laws there of [the State of Georgia], or by agreement of the parties . . . [where] the testimony of Freedmen can be admitted . . . the Agent will turn them over to the civil authorities for trial." To carry out Tillson's orders, agents were to establish three-member tribunals (known as freedmen's courts) consisting of a Bureau official and two citizens, one chosen by each party involved in the case.⁸

However, when the Georgia State Legislature passed an act conferring civil rights on "persons of color," approved March 17, 1866, Tillson advised his officers on April 6 (Circular Number 4) that they were no longer required to comply with Commissioner Howard's orders of May 30, 1865. While Tillson told his agents that they were to continue to follow instructions issued by him on November 6, 1865 (Circular Number 4), "all cases exceeding their jurisdiction, unless otherwise specially directed by the Department Commander, [were to] be turned over to the civil authorities of the State for adjudication." Despite the Bureau's efforts to secure justice and civil rights for freedmen in Georgia, blacks continued to complain to the agency about some of the "most fiendish and diabolical outrages" suffered by them at the hands of gangs known as "Regulators," "Jayhawkers," and the "Black-horse cavalry." Perpetrators of crimes against freedmen were often not apprehended or prosecuted by civil authorities. At various times, because of increased hostilities toward freedmen and the failure of civil authorities to take action in their cases, Bureau officials in Georgia were compelled to reassert their authority.⁹

Bureau educational activity began in Georgia in October 1865, when G. L. Eberhart was appointed as superintendent of schools (later education). In August 1867, Edward A. Ware succeeded Eberhart. In January 1869, Assistant Commissioner Maj. John R. Lewis assumed the duties of superintendent of education. Lewis served

in both capacities until May 1869, when the office of Assistant Commissioner was discontinued, and remained as superintendent education until May 1870. The records of the two offices were not combined. Ware, who had been acting as assistant superintendent, remained in Georgia as acting superintendent until August 1870, when all Bureau officers except the claims agents were withdrawn from the state.

Congress's failure to provide an appropriation for the Freedmen's Bureau during its first year of operation, impacted significantly on the agency's ability to provide adequate assistance for freedmen education. With limited financial resources, the Bureau provided help when it could, and worked vigorously to encourage freedmen and Northern benevolent societies to take on the primary responsibility for providing support for black schools. G. L. Eberhart and his successors were of the opinion that "colored people who are unwilling to help educate their children do not deserve to have schools." To encourage freedmen to participate in this self-support effort, Eberhart urged them to establish educational associations. With assistance from local Bureau agents, educational associations were established in the subdistricts of Thomasville, Bainbridge, Albany, Georgetown, Cuthbert, and Americus. In early 1866, the "pay your own way" policy led to the founding of the Georgia Educational Association (initially organized as the Georgia Equal Rights Association). The Educational Association worked closely with the Bureau and Northern aid societies and became the model "to encourage the people [freedmen] to organized effort in supporting their own schools & managing their own affairs." By the end of 1866, freedmen owned 57 schoolhouses and provided support for 96 of the 127 schools in the state. By the spring of 1867, freedmen contributions sustained some 104 schools and teachers and more than 3,000 students. During the same period, the Bureau maintained some 44 schools and 50 teachers and close to 3,100 pupils. Northern aid societies provided support for 84 schools, 78 teachers, and over 7,000 students. Freedmen also defrayed the expenses for 45 schools under the control of the Bureau and the aid societies.¹⁰

With the passage of the Army Appropriations Act on July 13, 1866 (14 Stat. 90), the Bureau received its first appropriation and was able to provide greater assistance in its effort to support freedmen education. In addition to providing some \$21,000 for state superintendents' salaries, the Act made available \$500,000 more for the rent and repair of school buildings. In the same month, Congress overrode President Andrew Johnson's veto and extended the life of the Bureau for 2 years. In this new legislation (14 Stat. 173), the Bureau was allowed to "seize, hold, use, lease, or sell" Confederate property for the purpose of educating freedmen. The act also required the Bureau to work closely with benevolent groups and to lease buildings to those associations that supplied teachers. By early July 1869, the Bureau had expended nearly \$105,000 for the construction and repair of school buildings that provided accommodations for 4,690 students. The Bureau spent an additional \$10,471 for the

repair of buildings that provided part-time space for more than 3,500 pupils. By the time the Bureau withdrew from Georgia in 1870, the agency had contributed funds for the building of some 50 schools in the state.¹¹

RECORDS DESCRIPTION

These records consist of volumes and unbound records. The volumes reproduced in this microfilm publication were originally arranged by type of record and thereunder by volume number. No numbers were assigned to series consisting of single volumes. Years later, all volumes were arbitrarily assigned numbers by the Adjutant General's Office (AGO) of the War Department after the records came into its custody. In this microfilm publication, AGO numbers are shown in parentheses to aid in identifying the volumes. The National Archives assigned the volume numbers that are not in parentheses. In some volumes, particularly in indexes and alphabetical headings of registers, there are blank numbered pages that have not been filmed.

The volumes consist of letters and endorsements sent and received, press copies of letters sent, registers of letters received, letters and orders received, special orders and circulars issued, registers of complaints, and monthly reports forwarded to the Assistant Commissioner. The unbound documents consist of letters and orders received; unregistered letters and narrative reports received, special orders and circulars issued, general orders and circulars received, monthly reports, and records relating to complaints, labor contracts, patients, and court papers.

LIST OF BOOK RECORDS OF OFFICERS

The single-volume list of book records of officers in Georgia (no date) is arranged by office, with records of the Assistant Commissioner first, followed alphabetically by locations of the subdistrict offices. Included in the list of book records are the type of record in each book or volume, the dates of the volume, and the volume number. Throughout this introductory material and in the Table of Contents, the AGO volume number appears in parentheses in the series descriptions of the records.

Circular No. 2, has been received, and its contents duly noted; and also, Circular No. 3, from the Asst. Commr. Savannah Ga., discontinuing the Fees, allowed Agents, from and after the 20th Inst.

As I accepted the Agency for this (Stonewall) County, with the perquisites and no expense having attached to the Bureau or Government, I will be obliged to you, if you will inform me whether or not, any compensation is given Civil Agents of the Bureau; and if any, in what manner?

GREENVILLE, GA. Nov. 20. 1867

Major F. Hensbach.

Sir,

Yours enclosing the form of the oath necessary for Agents with a Salary, &c, is received, and for the information given, I am truly obliged to you.

I am not at present, prepared to say, whether or not, I can take the oath. There are some portions, that might possibly prevent me, as a conscientious man, from so doing, but the other portions, I can heartily subscribe to, with a firm determination to comply with the Allegations, and I think, I can give the most satisfactory evidence, as to standing &c. Should it become absolutely necessary, for me to take an oath, I must ask your indulgence, and request that you make no other appointment for this County, until I see you.

Being without means, and having a large family, entirely dependant upon my individual exertions, for a support, is the reason why, I am and have been, so anxious on the subject of compensation, & I hope will be a sufficient apology, for troubling you so much.

Under your direction, I shall continue to discharge the duties of Agent, for this County - and if there is any allowance, in the way of pay, Office Rent, Stationery, &c, I will be obliged to you, for instructions, how to proceed, to obtain them. I should like to have Frank Gork, for Registering Contracts, Enticing complaints & stationery &c if allowed.

 Major F. Stenbach
 Sir

And occasionally
 complaint is made, of Freedmen abandoning
 their Contracts;

Is there any plan, adopted by the
 Bureau, by which, they can be made to return
 and comply, with their Contracts.

I have usually decided, &c, and
 that Freedmen could only be held, in civil
 damages for breach of Contract.

This kind of Complaint, is not at all
 common, but on the contrary, it is only, seldom
 made, and as a general thing, they are
 working well. much better than they did the
 past year.

A majority of Contracts give them
 a part of the crop, & they seem to understand
 their interest fully. The greatest fault is,
 their private differences - among themselves - their
 private contracts, one with another - jealousy &c.

Very Respectfully

Major Emil Swains - Sir

In compliance with your order
of the 3rd Inst. I issued a warrant for W. W. Sheppard
together with a subpoena for Glasco Turner the
witness named in the papers sent me. Sheppard
was arrested and brought before me. Turner (residing
in Georgia) refused to acknowledge service & said to
Sheriff he would not come to Saffordville or have any
thing to do with the matter. Sheppard demanded
a release for the reason that there was ^{no} evidence in
support of the charges. The prosecutor not having
notice of the arrest I continued the investigation
until Tuesday the 21st Inst. at which time
I will be compelled to release unless there is some
evidence to sustain the charges. Sheppard is bound
in a sufficient bond for his appearance on that
day. You will please communicate with Mr. Turner
on the subject if you know where he is or pursue such
course towards the witness Turner as you think best.
I cannot compel his attendance being out of the state.
Please give me all the information possible as I
witness the matter be thoroughly investigated.

Very respectfully

 the statement of Wm H. Key as detailed
 in his affidavit as forwarded, and
 that Deponent considers that the law was
 fully complied with in this case according
 to the best of Deponent's understanding of the same.

I have investigated the case of Paul Simpson (freedman) vs Dr James Huff and have the honor to report that according to the latters statements Amanda was raised in the Huff family and from good feelings towards her retained and provided for after the abolition of slavery. It was unknown to him that her father was alive and has been believed that she was an orphan and nobody, who claimed any relationship to her, has ever called on him for the child. He states that if her father is alive he must be quite an old man.

Huff is willing to give up the child to the father but asks to provide him with an order for the child.

If Paul Simpson has never applied to Dr James Huff for his daughter I respectfully ask that he may be made pay the cost of summing and horsehire of \$3.50 in this ^{case} ~~month~~ and this money sent to me as it really looked hard to make James Huff pay it when he most positively declined

that no demand for the child had ever been made.

In compliance with the contents of endorse-
ment dated: Atlanta Ga. Aug. 16. 1867 I have investiga-
ted the complaint of Isaac Ector & wife told us Th P
Bartee of Stewart Co for non-payment of wages and have
the honor to submit the following report.

From the enclosed original contract and the testimony be-
fore me the facts in the case appear to be these:

- 1) Isaac Ector & wife worked for Bartee only from 24 Feb
to 1 July ~~4~~ months at \$16.00 per month not six months
as stated in affidavit, the sum due is consequently \$64.00
- 2) Isaac left without Bartees knowledge and consent
- 3) Isaac received one pair of pants & one shirt, his wife one
dress, a sufficiency for four months labor (one third of
the year) or at least very nearly so.
- 4) Bartee says Isaac left his bedding and effects and as he
had no knowledge of his leaving, ^{he} had no opportunity to

oppose his taking anything along he wanted to take.
A colored man Phillips however, he says, took care of
Isaac things and Isaac himself came after wards and
took his effects away.

5) Barker states that Isaac a his wife leaving him at
the time they did, caused him much trouble and some
loss and claims damages from them.

I concluded ~~that~~, from many analogous cases, that
his story ~~was~~ probably was true in the main and
let him off by paying forty Dollars with the condition
that if Isaac could bring evidence that he had a
proper cause for leaving his employment he should
pay the whole amount of sixty four Dollars.

I include the forty Dollars collected from J. P.
Barker for Isaac Ector a wife.

I have the honor to remain

General,

On the 16th. of January last I ordered Messrs Gray, Bedell & Hughes, Warehouse keepers in this city, to hold any cotton then in their possession belonging to Lewis Holland, subject to orders from this Office, for the payment of the services of Daniel Shueat, who was in Holland's employ during 1867. Subsequently I learned that the cotton had been previously attached by the Sheriff of Muscogee Co. on a claim of Robert Shueatt, white man, for a mule that Holland purchased of him last Spring. All but \$45 had been previously paid for the mule. Messrs Gray, Bedell & Hughes have sold the cotton, taking from the amt. of sales, their advances & charges, there remains in their hands about \$40, according to their report. They decline to hand the money to me, or pay to my order, unless Robert Shueatt assents to the arrangement.

I found on investigating the claim of Daniel
Shreat that Lewis Holland was indebted to him
Eighty Four dollars. The parties in the case are both
freedmen. I await instructions before taking further
action in the matter.

Very Respectfully

According to your order of May 25. 1868,
herewith returned, I made the following
investigation about the complaint of
Asa Carter, freedman, against James
Leonard of Talbot Co.

The books of J. Leonard shows in
evidence, that the part of crop accor-
ding to the contract was overhanded
to Asa Carter, partially in money
and produce. The final settlement, after
the sale of the cotton, was an amount
of \$ 68, and the receipt of this sum
signed from Asa Carter, freedman and
Mr. J. Smith as witness, is in the
hands of J. Leonard, by whom it was
presented to me for examination.

Sir

I herewith submit the result of the investigation in the complaint of Harper Sparks freedman against H. H. Waters, Geneva Talbot Co.

M^r Waters on the 6th of March 1868 took the benefit of the Bankrupt law, and the contract for labor between him and Harper Sparks was on the 1st of March 1868 annulled by mutual agreement for a valuable consideration. The object of the remaining and present difficulty is a garden, planted from Harper Sparks and 3 other freedmen, hired from Harper.

The assignees of M^r Waters released the property, on which this garden lies, to M^r G. W. Amos of Geneva Talbot Co, who, with the aid of the Sheriff removed Harper Sparks on the pretext, of destroying his adjoining property. After many deliberations and controversies an agreement was made, which reinstates Harper Sparks and the other three freedmen in the full and

unrestricted control and use of this garden.
This written agreement, signed from
M^r. Waters and Amos, approved from
me, was delivered to Harper Sparks,

Atlanta Geo. Oct. 21st. 1868. I have the honor to report
that the following cases of Assault and Killing have
occurred in my District from Jan. 1st. to Oct. 31st.
1868.

the murder of Sawney Sapp, at an adjourned
term of the Superior Court Muscogee Co., and sen-
tenced to be hung on the 10th. day of March last.
He was respited by provisional Gov. ~~Hughes~~ and
his sentence afterwards remitted by Gov. Bullock

Sir,

Since the within letter was written there has been another murder of a colored person in Muscogee County, naming, George Logan, in this city on the night of November 2^d. Logan was standing, with many others, on the side walk on Oglethorpe street, looking at the democratic procession as it passed, when some one or more persons fired into the crowd, killing Logan instantly and wounding another colored man in the neck.

The verdict of the coroners jury was that Logan came to his death by a pistol shot in the hands of some unknown person.

I have been unable to ascertain the name or location of the person wounded, but it is believed he resided in the county. He is reported to have died a few days after receiving the wound.

No coroners inquest was held by the Coroner of Muscogee Co.

trial in the Superior Court in Feb. last and was acquitted.

June 1st. Thomas Thompson, colored, was shot & killed in Marion Co. by C. C. Fickling, white. Verdict of coroners jury, "killed in self defence". Fickling ran away and at last advised had not returned to Marion.

In July a white man killed a colored man in the South part of Muscogee County. The slayer was brought before a magistrate and was discharged on the ground that he acted in self defence. The names of the parties are unknown.

Sept. 3^d Henry Pitts was cut with a knife in the hands of Mike, both colored, in Muscogee Co. Pitts died Sept. 15th. Mike ran away and has not been heard of since. The verdict of the coroners jury indicated Mike as the slayer of Pitts.

The above are all the cases that have come to my knowledge to date.

Very Respectfully

Respect. Maj. John Leonard,
S. A. Commissioner
Columbus Geo.

In obedience to instructions in Circular No. 4, Bureau R. F. & A. S., Office Asst. Comm. State of Georgia, I have the honor to report the following condition of affairs in my division during the present month.

So far as I have been able to learn, the colored people have been and are now, working well and manifesting a desire to comply with the conditions of their contracts. A number of colored men from each of the Counties in my division have complained because they were discharged for voting the Republican ticket at the recent election. Perhaps fifty persons were discharged in Muscogee Co. on that account. In some of these cases assistance has been given to bring the case before a magistrate for adjudication, while

others have been counseled to postpone action till the end of the year. A few cases have been left to arbitration.

Several assaults by the whites upon the blacks have been perpetrated. Generally, they grew out of a difference of opinion in politics.

I have made exertions to establish schools in the County during the month, but find a general disinclination to make any movement in that direction both by whites and blacks. All admit the necessity of schools, but they want every thing done without cost or trouble to them.

No contracts have been presented for approval during the month.

Very Respectfully
Yours Obedt. Servt.

Dear Sir-

Inasmuch as I addressed the communication to Mr. Drinning of Atlanta in relation to the Man Borders - and as I have been out at home for the past week where I could investigate the facts - I think it my duty to inform you that they are greatly exaggerated - and I think an investigation wholly unnecessary, I believe the girl to be well treated &c and hope these statements will suffice as trouble to my self might issue if otherwise

Dear Sir -

Believing you have the welfare and best interest of the Freedmen at heart, and that you will do all you can to promote them, I am induced to address you this communication.

On my fathers farm in Troup County he has a white man employed to labor, and this man has a young Freed girl bound to him, by her parents who are at this time in Ala. and I learn he keeps her for the barest of purposes - he runs her day and night and whips her most unmercifully. Now, the suggestion presents it self to me, as I have been requested,

To make the facts known to the proper
officer to acquaint you with them, be-
lieving you will do all that is right
in the premises - and not allow this
outrage to be perpetrated any longer,
I learn that the girl is
begging to be relieved from her bondage.
I do not know that there is
any agent of the Freedman's Bureau at
La Grange, the County-site -

I am, Sir,

Very Truly

Dear Sir,

I have the honor to report that in compliance with your instructions I have fully investigated the case reported by R. L. Sims and find his statements to be malicious and wholly without foundation as will appear from his letter herewith enclosed of the first Inst. on investigation I find that the girl (Henrietta) about fourteen years of age was left by her father in the care and protection of Borders & family with whom she now resides. I questioned the girl privately and alone she appears to be well cared for well treated and expresses a desire to remain with the family of Borders.

I inadvertently approved
the enclosed Contract and
have amended the original
as shown by the red ink
interlinings upon the duplicate.
We have caused the corrections
to be fully explained to the
freedmen, all of whom are
well satisfied.

As to wages, Laura Dan-
iel's children are all young,
less than 16 years. Taylor
is an aged invalid unable
to earn his rations, while

Amela has small children
unable to work which are fed;
and it is believed all
upon this Contract are receiving
as good wages as any
freedmen in this vicinity.

This District has generally
the poorest lands in the
State whence the farmers
cannot afford to pay such
wages as are given elsewhere.

The instructions relative to
Contracts from Office A. Comr
of the 8th inst. is the basis
upon which I have approved
Contracts & adjusted difficulties
pertaining to them; and I
shall be strictly and in-

Sir,

I have the honor
to report that there is a school for freedmen in Talbot
County and one in Macon County. I have twice courteously
called upon the Teachers for reports for January, and as
sufficient time has elapsed, for their reports to come to hand,
since my second request, I do not feel warranted in longer
delaying my report for them.

There is no school in Taylor County the Teacher at
Reynolds being still sick. A school is about being started at
Butler but the attendance promises to be but limited on
account of the inability of freedmen to pay the tuition.

The petition of Phillis Gray
widow and a colored woman respectfully
sheweth That for about six
consecutive years before the war when
a slave she was hired by Mrs Lucy
Reese in Marion County Georgia - That
after emancipation said Lucy agreed
and promised that if your petitioner
would live with and take care of her
and her brother one Mordicai Jenkins
They both being old and childless ^{and living together} and
without the necessary attention
until this death your petitioner might
have what property she said Lucy might
have after the payment of her debts
That the said Lucy and Mordicai are
both dead - That the said Lucy left
char of debt one lot of land in
Marion County Georgia, and some time

head of cattle and a little household furniture. That your petitioners acceded to said offer of said Lucy soon after Emancipation went into effect in Georgia in 1865 and entered upon her duties. That she furnished said Lucy and Mordica with provisions and clothing. They were very old and feeble. The said Lucy being some eighty odd years old and the said Mordica over seventy years of age. And possessed of nothing but as above stated. That in her life time the said Lucy intended in good faith to carry out her said agreement and made what she and your petitioners supposed a will of which the following is an exact copy: Dwit.

"Georgia } May The fourth Eight
 "Marion County } Ten hundred Sixty Six
 "My last Will and Testament is that at
 "my death and the death of my Brother
 "Mordica - And our just debts are paid
 "Phillis a Colored woman if she stays

and take care of us shall have
what we leave

Witness } her mark x Lucy Rose
" U Montfort }
" R Everingham"

Your petitioners aver that she is advised
that said instrument is void as a
will the law of Georgia requiring
not less than three witnesses

Your petitioners aver that after said
and she had returned upon her declining
agreement was entered into, that she
intermarried with one Peter Gray -

Your petitioners aver that the said
Mordican and Lucy died of small
pox that during this sickness your
petitioners and her said husband
patiently and faithfully waited upon
them, both contracting small pox from
them, while performing said contract, of
which disease the said Peter died.
The small pox pox was so great

in the neighbourhood That your
petitioner could not get come ground
at the mill she not being allowed
to go any where in the neighbourhood
for fear she might spread the con-
tagion - And consequently your petitioner
had to and did leave the place and
go elsewhere to live -

Your petitioner avers That the said
Lucy to whom the little property above
mentioned ^{belonged} and the said Mordecai
left ^{at any rate a very trifling amount} no debts unpaid - That said
land is worth between five hundred
and ~~two~~ Thousand dollars - That said
stock is worth an average of twenty
dollars a piece - The household furniture
consisting ^{of} three bedsteads one bureau
and one clothes ^{press} - The beds and coverings
were burnt - and other plunder, worth
one hundred dollars -

Your petitioner avers That said
Contract was fully executed on her
part - and she swears That the same
may be specifically executed

I have the honor
to state to you, the property that you agreed
me to buy, and also make payment was made
I would the parties not to sell it until I had
a purity of the forth coming of 3000 dollars
for the parties for the plaintiff or the widow, that is
the lawyers had agreed to say as to the
validity of the Broom law, and said that
they would order the ship to sail and had
been responsible for the forth coming of the
money, but, I told them the property should
not be sold until I was paid first for the
cost of the property, and the ship
asked permission to place the crew to
the Superior Court Judge - and he said to
the ship that the crew must be obeyed.

that it was unwise to resist it - Hence
 the parties gave me a stamp for the payment
 of the money and I let the property go -
 I have collected and paid out nearly all
 the money - a little is yet behind - but will
 get it in a few days - would have had it in
 this but some of the premiums are small -
 25¢ or 50¢ or 1 dollar from here - so I shall

Emma Deesew (color.) in Columbus
is the mother of 3 boys - 18.. 16.. 15 - years of
Age and now in Randolph Co. hired out
under the Guardianship of the Agent of said
Co. It appears from the evidence of
a long investigation that she made oath
in your Office that she willingly gave the boys
to Mrs. Willesford who did hold them for
2 years in involuntary bondage - this oath
made under the pressure of Willesford's to
escape the penalty for kidnapping &c.

The boys were hired out without the consent
of the Mother or father by the circuit Court
Judge of Stewart Co - after a bogus
contract was made by the Willesfords without
genuine Signatures. in which the boys were hired
out for nothing to the Willesford - when I

I consider Justice to all parties concerned
 I have by so doing made a goodly number
 of enemies - and my being relieved is
 a source of gratification to them -
 and it has been suggested to me that
 some persons & persons have reported
 me and I have been relieved for that
 but I have and do think sufficiently
 If such, however is the case I think
 I can & could make a satisfactory
 showing of my conduct.

I received an order
fifteen-days ago relieving me from any
further duty in the Bureau of R & A

as yet. I have been to Norwalk several
days to turn over my papers to him, and was
ready to make a statement of my actions and
doings during my stay in office. I however
would like to know if I am relieved from

is it because I can't comply with the re-

that there is some opposition to me because
I have been as close in meeting what

I must respectfully
 beg leave to report in the case of Patsy

that I have most carefully
 examined the said Patsy and I am fully
 satisfied that she is not held by or for any person against
 her will or consent, but she says that she is very well
 satisfied with her home, and that she is well
 treated and is willing to stay with the
 family of the farm.

I should judge from Patsy's
 looks that she was about 15 or 16 years old
 and she says that she has one child about 3 or 4
 years old.

Office Agent Bureau R. F. & A. L.
Butler Ga. Nov. 19th 1867

Respectfully returned to 1st Lieut. Geo. Wagner U.S. A. L. Columbus Ga. with the report - that I proceeded to Macon County - We found that the freedmen had been drilling for several nights, along the So. Western Rail Road.

They claimed to be organized as political or benevolent societies and I think they drilled rather for amusement - than from any evil design, - not knowing it was unlawful. Some, however, joined in the drilling from delusion having a vague idea that it was necessary to obtain their rights.

They have discontinued the drills as directed & I apprehend no more trouble in that quarter on the subject.

I ascertained that the citizens about Wilkesville had become unwarrantably alarmed in this wise;

For a few weeks previous to the election the freedmen in that vicinage had frequent meetings with closed doors, at night in a church at Lanier for the purpose of discussing the political situation.

Nearly all went armed, and as they left the plantations after dark without informing their Employers.

Employers whether they were going. - the people became suspicious that all was not right. - And then on the first-day of the election they "fell in" at the Church. - apparently by previous arrangement - many having muskets, and marched to the County-seat to vote.

But I am satisfied after rigidly examining the freedmen and other citizens that they did ^{so} purely from ignorance and without intending any harm. Yet the whites became alarmed, called a meeting, discussed the matter excitedly and petitioned for assistance. Some came to Butler, whom I thought to be reliable, and gave me an exaggerated representation of affairs upon which I felt warranted in making a request for soldiers in the 30th regt. Tho' I now see I did so somewhat hastily and unadvisedly.

I have explicitly cautioned the freedmen against drilling or forming any military organizations and I believe they will make no further attempts.

Major:

In obedience to instructions contained in Circular No. 4. Bureau R.F. & A.L. Office Act Commr State of Georgia. Atlanta Ga, Aug: 31st 1868, I have the honor to forward herewith Contracts approved by me for the months of July and August 1868, and to say they are so made as to stand the scrutiny and test of law.

I also respectfully state that my duties for this month have been confined principally to efforts to interest the people of my Division in sustaining by their aid and countenance the Freedmen Schools, and to advice to freedmen regarding their rights under the law and their contracts and
(over)

arbitration between planters and
freedmen.

In case of Bad Cook
for assault upon George Washington
freedman. I was directed by the Asst.
Commr. to prosecute Cook before civil courts
at once, but Washington has failed to
keep his appointments with me, and
the matter rests until I can secure his
attendance.

Affairs in my
Division are quiet at present, but the
approaching political campaign seems likely
to produce strife.

La Grange, Georgia,

Nov. 5th

1868,

Bot. Major John Leonard. U.S. Army
Sub. Asst. Commr.
Columbus - Georgia.

Major:

I have the honor to forward
Contract approved by me in October, and to
Report I have been engaged during that month
in attending meetings of Freedmen & instruct
them in Schools - and encourage those already
established. I have also been engaged in
obtaining evidence in regard to Murders and
assaults committed by Whites against Freedmen,
who thus far have not met with success.
In nearly all cases the Blacks fear to tell who
the guilty parties are.

IS

On 12th Sept. Bud Henie came to
Goodman Cross Roads in Harris Co. and soon he was
killed somebody before he left. Meriam McChoe a
freedman held his horse for him, when Henie
fixed a cap on his revolver and snapped it at
(over)

McGee who said "You are going to kill me
are you Massa Hines?" Hines said again
he would kill somebody. aimed again and
fired. shooting him in the groin. The man
fell and Hines ran into the store for a light.
tore open the clothing, saw the blood, mounted
his horse and rode off. On Monday 14th
Sept. McGee died of his wound. No inquest
was held and civil authorities have done
nothing to arrest the murderer. He said he
is somewhere in Matama.

II

On 17th Sept. Tom Jowers freedman living
near Bullock House, was assaulted by Jesse Bennett
with a knife. and his back cut. He fled for
far of his life. I sent him back to his farm
but he returns to me saying Jesse and George
Bennett and George Humphrey are hunting him
with guns and swear they will kill him at
first sight. He had pulled Bennett's dog off
him. and refused to let his dog fight.

III

On 12th Oct. George Taggle of Mendenhall
Co. drove Jack Keith freedman away from his
crop and threatened to shoot him if he came
back. Keith had asked to gather and see

some of his corn for his family.

IV On 21st Oct. John and Charles Braubley Bad and Mylie Miller Goodman Butler and Joseph Sorrell took Jerry Perdue freedman from his house carried him to the woods, stripped him and his hands, laid him on his face and while some of them stood on his head and feet the others gave him 300 lashes with a buggy trace. They said he was a radical. Civil authority has taken no action.

V On 22nd Oct. Henry Hodnett Thayer & Co. violently assaulted Angy Evans - freedwoman with a hoe. Knocked her down, drew his pistol and threatened to kill her. Civil authorities have not taken action tho' I asked for warrants same day.

VI On 22nd Oct. Alston Waters Saylor & Thayer & Co. took Theodore Stry freedman to a field on Joseph Ralldoggs plantation and gave him a severe whipping. Waters was hunting for him with a party of white men and had threatened his life before. Civil authorities refuse to take action in this case.

VII ✓ On 23rd Oct. Jeff Alford & Harrie & Co. assaulted an old freedman named Austin Hanley and another freedman Dennis Hanley with a knife (over)

and cut them both severely. Silas Higgins a
freeman was also stabbed in trying to save the
old man. When this was reported to the Sheriff
of the county he declined to take any action.

VIII

On night of 24th Oct. Terence Moran and
John Borders went to the house of Anthony Story,
freeman - Hoap O. and searched for him threatening
to kill him if they found him. They said they were
going to give him 500 lashes with the whip in the house and then left - swearing at the
old people. Story's father and mother saw the man plainly.
Civil authorities had Moran arrested and cleared him
pulling costs on Story. The Sheriff says he cannot find
Borders. Both of these men boasted publicly of clearing
the old folks out, and threatening to kill Anthony.

IX

On same night these men went to Godwin's
place near Whiteville where they took Green Williams a
freeman to the woods, stripped him, tied him up and gave
him 500 lashes. The man is unable to move now.
Civil authorities have done nothing. These men call themselves
deputies Regulators.

XV

On Sunday 25th Oct. Isaac Smith - freeman
living with Mr J. D. Williams near Whiteville was mur-
dered by a party of three men, one of whom came
up to the house where Smith was and began to talk
with him in a friendly way. At once two men came
in sight riding fast. Smith on seeing them turned
and ran down a lane. The horsemen turned into it
and gained on the freeman who climbed over the fence
when one or both men fired at him, one ball went

into his ship, one into his breast and he
fell dead, all three men rode off. Civil
authorities have taken no action. I cannot
learn who the murderers are, yet, the cause
assigned for this murder is said to be because
Smith left a place this spring taking his
wife with him for the reason they were out-
shot in their rations.

XI

On 26th Oct. John Woodruff, of
Menominee Co., assaulted Lucy Ellerson, ^{freedomman} and
beat her, she showed her head swollen
and cut.

Have the lease made in consideration of one dollar in hand paid and for 99 years (as long as used for school purposes) to the Commr. Bureau B. F. & A. I would respectfully request that I be authorized to have a small case made, with pigeon holes, similar to the one I had made in Atlanta, and which is now in Major Muesbocke's office. General:-

I have the honor
to report that large numbers of freedmen have been discharged
by their employers in the city of Columbus and vicinity, since
the recent election. The only reason assigned by the employers
is that the freedmen voted the "Radical ticket."

A number of freedmen who were working on
plantations for a portion of the crop have been driven off
for the same cause and their lives threatened should
they return. These poor people have lost four months
labour without any remuneration, and are now thrown
adrift without money or food. Their sufferings are
deplorable. Large numbers of them are now at my
office praying that something may be done for them to
relieve present suffering, they being unable to procure
any employment at present, owing to the feeling against
them. I enclose herewith for your information, over

the Affidavit of twenty four freedmen who have been dischar-
-ed. I might send many more but I presume this
will suffice. I also Enclose a Card, a copy of which
is posted in a conspicuous place in nearly every business
house in this city, proscribing Negro Radical Express-men.

These Express-men own a wagon and horse, and
have each paid a license of ^{fifty three} (53) dollars
to the City Council for the privilege of running express
wagons in the city.

There is a great deal of suffering here at

Ga,

Lieutenant,

On the 14th inst. I forwarded to your headquarters a report, that the Justices of the Inferior Court of Muscogee County had resigned and left some thirty (30) paupers unprovided for, in the County poor-house, and for whom I was obliged to go personal security for provisions to keep them from actual starvation until a new Court could be appointed.

I forwarded at the same time the names of four gentlemen, to fill the vacancies caused by the resignations of four (4) of the former Justices of the Court. I have not learned that any action has been taken in the matter up to the present time,
Over

MS. A. 9. 2. 1. 425
I would respectfully recommend that the gentlemen
whom I recommended be appointed with as little delay
as possible, as no provision can be made for the sup-
port of the paupers, until the new Court is appointed.

Mr. Bradford who has been furnishing
provisions to the poor-house, states that he will
supply them no longer, if he is not paid at the
end of this month,

I am very respectfully
Your obedient Serv't

Sir :

I have the honor, to forward here-
with one copie of Contract for labor, approved
by me in the month of August 1868, and accor-
ding to Circular No 4 of the Assist. Commissioner
State of Georgia, the following report.

The number of cases brought before me during
this month was 19, Two of which were complaints
of Employers against freedmen. A few of them were
settled peaceably, the balance is still pending for
action. Since the 15th of this month I am sick
with Fever, and feel hardly able to attend to
business. — The change in the Official Action
of the Freedmens-Bureau is not yet widely known
between Employers, but seems to have spread very
quickly between the freedmen. On the 22. & 23. day
of this month were Prayer- and Revival Meetings
at Butler 5th with large attendance, and I find

the greater part of the colored people well informed
 with the above news. The impression is a most
 unfavorable and discouraging in regard to the
 approaching elections. Many of the freedmen are
 full of cares about their wages & parts of the crop.
 Many Employers making the condition for payment
 a Democratic Vote. — Several Complaints were made
 for ill treatment, but in every case the Complainants,
 contrary to my advice failed further steps before
 the Justice of the peace. — Rena Hamilton, col^d
 woman made an Affidavit, that she was severely
 beaten by M^r James Ediston Taylor C^o. She is expect-
 ing to be confined and dreads the consequences
 of her abuse. But notwithstanding this, her husband
 refuse to give his consent, to bring this case before
 a Justice of a peace. It is his opinion, that if the
 Bureau can not give any decision or satisfaction
 to his wife, he would rather withdraw his complaint
 entirely. He has no money, to pay for a warrant
 and Sheriff Expenses, besides she does not look for
 justice before a Court. This opinion is predominant
 with all colored people.

Another complaint was made by 9 freedmen in
Macon Co. Ga. against a Widow Montfort. I advised
them to the Justice of the peace at Oglethorpe, Mr.
Isaac Jessup, but they brought the answer, that
he refuses to take any action in Freedmen's Claim
Cases, because he observes the Freedmen's Bureau as yet
in full existence. — Isaac Gray freedman, received
\$50 from Mr. James Bevins (near Carsonville Ga.)
as a final settlement for faithful work during
the year 1867 on the 26. day of this month. —

The balance of Cases, about 40 in number, com-
plaints for wages, partly from last year, are still
waiting for a final settlement & payment, which
is promised from this years crop.

Sir:

According to Circular No 4. August 3. 1868 I have the honor to make the following report. 23 cases of complaints were brought before me during this month, two of them were complaints of white men against freedmen, three cases were difficulties between colored families and the balance complaints of colored people against employers, but nearly all unimportant, some arising from misunderstandings. In two cases I had to report for instructions. Many claims, for last years work are not paid yet, and different notes are in my hands for collection, but the collection of money is yet always very difficult. Yet in two places, from Widow Carson and M^r W. Anderson, in Macon & Taylor Co. old debts were paid.

In general very few complaints were made about this years wages & part of the crop; at one place, on the plantation of Mr Montfort & Hayes, Taylor Co., where all the hands in the years 1866 & 67 received nothing and were cheated for their whole part of crop, in this year a fair settlement was made, as far as gathered. This was the place where I apprehended difficulties; as the employed freedmen of this plantation 10 in number made dangerous threats against the Employers at my office in the month of July last, in case of an unjust settlement. —

The Cotton crop is not yet divided. In Talbot Co. I have heard many complaints about the pressure, which is used on the freedmen, about the voting on the next Election. All sorts of threats: not paying the wages, part of crop refusal of further employment ~~etc~~ are used.

The official letters, sent from this office to different parties, are with few exceptions to any effect and the only course left for me, is to travel myself to the different places. Prejudice, want of confidence & impregnable aversion

to the actions of Civil Courts is still predominant with the colored people. In two cases, where I ordered the complaining parties to come here on the first Saturday of the month (being the justice court day) they failed to appear. In many cases of complaints from Freedmen against Employers a mere letter from the Bureau Agent seems to be more satisfaction than all the advice and direction to the Civil Courts.

The case of John Norton freedmen against Oliver Wilber of Macon C. G. should have been investigated before the Grand Jury on the first Monday of this month - but the Court was adjourned in the same minute as they meet together. No contracts for approval were brought to this office during this month.

I have been caused to change my office. The chimney is broken and the sealings in such dilapidated condition, that after every rain the water poured through. Besides this, my office room was the office of the County Clerk too, therefore a public room, where everybody had the right to enter and to sit down. In every

settled peaceably. Many troubles did arise espec-
ially in Macon C.^e S.^e between Employers & laborers,
concerning the contracts. The most part of
contracts contains stipulations that the freed-
men have agreed to do all services, pointed
and required of them upon plantations. as
plantation laborers, including Milling, cut-
ting & hauling wood, repairing of fences, toget-
her with all duties elsewhere conducive to the
interest of the said plantation &c &c. Now,
since the crop is harvested & brought in many

of the freedmen refuse to do any more work. In one place, Walkers plantation, Macon C. I., where 36 freedmen are employed, and who received their part of Cotton Crop, and the Cotton was sent to Macon I. for sale, the Employer has on this above pretext, stopped the payment of the Cotton at Macon I. I had to go twice to that place, before a peaceable adjustment was made. — It is supposed, that the payment of labor will be so far satisfactorily to the freedmen in this year, but generally the accounts for provisions furnished to them during the year are horrible, still there is at present no help against such extravagant charges.

Ignorance on the part of the freedmen forces them to submit to the charges brought against them, no matter how extravagant.

Most difficult is always the collecting of debts for the year 1867, meanwhile it is generally known that the term of existence of the Bureau is fixed, and many Employers, who promised me the payment in the most positive manner, now postpone the same, under different

lying pretext from term to term.

The political differences are still the cause of many unjust actions. Ellis Hicks freedman who was employed as laborer at the Muscogee Railroad, and who, in coupling two freightcars lost two fingers of his right hand, was dismissed and as he stated to me, he was informed, that the real cause for his discharge was the voting of the radical ticket. — As a little illustration I shall further mention a case, which I partially witnessed at Talbotton Ga during this month. Mr. H. Mahone had a case of simple larceny against a freedman, for stealing Cotton from his Ginhouse. The Cotton was found in the possession of the freedman, and in addition there was besides a strong evidence against him. But the Defendant was a democrat, the Complainant a radical Voter at the last Election. When I left Talbotton, the trial, was postponed, and as I was curious, how the law would be administered in such case, I since received the information, that the freedman was

Military authorities, Atlanta Ga
Friend Sir

This is to inform you that
I have a Stupor of the Peace
of the 600. 1st Regt of Colored Cavalry, Co.
Appeal to you for aid in the enforcement
of the laws of the country. My complaint
is that a man professing to be a Virginian
commander in the 1st Regt of Kentucky came to
the County in the Spring of 63. Said he was
a recruit for Virginian Cavalry of his own
thru - Yankee privateer.

Successful in marrying a rich widow
never went back to his command
he is a great boaster. He has an attorney
about many persons, white and black among
them the white is one. It was called upon as
civil officer for various respecting the man
to whom I allude to. He has a colored girl and her
father wants to know what to do. It
advised him, and was cruelly beaten to the
ground. He by some also turned out of
the Public Church for showing
a white rope to said colored person.
Said Peter makes it his duty to
shoot at them with bombs and
attorneys also. For example, and then some
thru into a compromise. I have him
brought over to court. But he with his friends
will put the case off and I am certain
that nothing short of your aid will
ever quiet the disturbance created. I am
and his clan I have applied to Bureau

Bureau Agent of this county and
he seems to think that the civil war
will reach him but said Agent has
been repeatedly applied to on complaint
against said Peter and he with the
help of design has referred the matter
to civil authorities but it seems to
me his claim lies beyond the civil
jurisdiction and when I have written
to the Court of Sal Co. State of
Georgia as Acting Justice of the peace
call upon you for aid with which
I am hoping you will immediately
assist. With feelings of the best
design for the interest of the government
I am your obedient servant
D. B. Puffer S. P. Co. Ga.
Vallejo

P. S. While I am writing it being Sunday
Peter and crew are now proceeding
over the mountains and those who would
protect them in their flight.
And so be seen

The enclosed a small
affair of your authorities
in the country would do
more for the government
in a few hours than
the civil war can ever
do.

The case of Rapsel V.S. Mortimer Leter. A difficulty occurred between the parties before mentioned. The case was never reported to me Rapsel had Leter arrested and Leter entered into a bond of five hundred dollars for his appearance at the Superior court to be held on the third Monday in this month. They both were informed members of the Baptist church. They had the matter before the church. Leter gave information made acknowledgments satisfactory to the church. But Rapsel refused to accept his acknowledgments. I am informed it is a rule in the Baptist church to expel members who will not agree to the decision of a majority of the church. Rapsel says that Leter beat him because he was disposed to do justice to the colored people & Leter says it was for Rapsel making improper proposals to his step daughter while at Rapsel's school a girl. I am informed thirteen or fourteen years of age. The case of the freed man & his daughter was never reported to me. All the parties Leter & freed ^{man} both belonged to the Baptist church & the case settled by arbitration. A Mr. S. L. Bruce a man of the highest character in that part of the county was one of the arbiters. He informed that the case was settled entirely to the satisfaction of both parties. & that the freed ^{man} was satisfied with the pecuniary award of the arbiters. The other cases mentioned I advise the freed men to come to court & go before the Grand Jury & if a true bill was found it would be the duty of the Solicitor to issue a warrant & have Leter arrested. as having a warrant issued by Rapsel might make the enmity existing between them more intense. There has existed bad feelings between Leter & Rapsel & Crawford's ^{Rapsel falls on Lawrence} families previous to any of the difficulties complained of. I am confident that the civil authorities will do justice in the case. Judge Norrell is noted for punishing heavily for such conduct.

Respectfully Submitted

of R.F. & A.L. for Talbot County

Major.

I have the honor to report the case of
Julia Jackson col^d vs P. N. Causey Gintman to Ga for
nonpayment of last years wages to the amount of
\$ 52.00.

P. N. Causey in investigation admits that he did owe
this amount to Julia Jackson but ^{states} that he paid it to
a negroman by ~~the~~, who called himself James Flewellen,
upon a verbal statement, that he was sent by Julia
Jackson to receive the money for her. Julia Jackson living
near Glenville Alabama authorized him to pay the money
to Albert or Manson Flewellen, relatives of hers, and he
thought James Flewellen, being of the same family, there
would be nothing wrong in paying to him.

I held that, as he paid out the money without evidence
that James Flewellen was legally authorized to receive

it, that he must pay it again as Julia Jackson
has made an ^{affidavit} ~~statement~~ on oath, that she did not
authorize such a person to receive it and has not
received^d. P. N. Causey, being a poor man could not
raise all the money but paid me \$25.00, which
I endorse for Julia Jackson and will raise the balance
by the time I return to Georgetown next month.

P. N. Causey respectfully requests that this case may be
investigated by the Bureau authorities in Alabama and
that Julia Jackson, Albert and Mansen Stewellen may
be summoned and the case investigated. He lives only
12 miles from Glenville, near Georgetown Ga and desires
that he be summoned to the investigation.

Julia Jackson, Albert and Mansen Stewellen live on the
same plantation & Rev. Mr. Tyson Glenville Alab can
give the ^{necessary} ~~desired~~ information as to their place of resi-
dence.

I remain Major,

Sir,

Your letter of
inquiring in regard to the present residence
of George, & Julia Jackson (colored) is at
hand, & I herewith reply. George and
Julia Jackson (colored) are at this time
at my plantation in Russell County Ala.
about 24 miles below Columbus Ga.
They contracted in my employment Jan'y 1st last
for the present year, & continued in said relation
until about first of June when George, in
consequence of some ^{dispute} litigation between himself
& other freedmen on the same place, ~~has~~ volun-
tarily deserted & was absent, & out of my
employ for three months. At this time
he made application to resume his
place under solemn & voluntary prom-
ise of good, & faithful service, & conduct.
I consented for a trial. I am informed
by my Agent that he has the second
time voluntarily left my employment,

111
and is now sick on the place. His
wife (so claimed) has been in my employ-
ment the whole time, & is yet.

Hoping the foregoing furnishes you
such information as you desire,

I am Sir,

Very Respectfully,
Your Obt. Servt.,

P.S. Will you do me the favor to furnish
me by mail the law regulating Contracts
with freedmen? You may not be
the proper officer to ask such inform-
ation of; but presuming you can
readily do so I make the request.

It is not known with us what the law
is, or who are the proper officers of this
law, whether State, or U.S. Military
officers. Compliance will much

My F. Mosbach

Dear Sir from all the information
that I can gather 150 Whites & 150 Blacks are in
want of necessities of life in my County Total 300.
I applied to the Inferior Court for assistance &
we have investigated & find it as above stated.
A small amount of Supplies are being sent to a
few of the most destitute from North by a
Baptist Society. This is very small I do not know
the amount. It is sent to West Point, and H. Taylor is
the Agent to distribute. Only Corn & a few Irish-
potatoes. I think the safest plan is to have a
prudent agent, & let him attend closely to the
distribution (get a safe man, H. Williams, H. B. Williams)

I will attend to -
getting all the particulars of the case supra to
in your communication as soon as possible.
I received your very kind letter with regard to
the offering. I'll give you a statement of my position.
I was elected to the State Convention in 1854 by a large
majority as a Union man. I did all that I could
for the Union in the Convention that preceded
this hard in the struggle. I felt that we had
lost all. I then went with my State not through
choice but from necessity. When the Convention
was called in 1865 my people elected me again.
I took the Oath of office for the Emancipation of
Slavery & to repudiate the War Act.
Let me sustain my honor if I am stripped of, all, else
if I was opposed to the acts of my State & acted
from necessity. Do you think that I can take the
Test Oath. I did nothing only as my country forced me
Yours ever

MS. A. 9. 2. 4
I did not want to be compelled but
knowing the law I acted in advance
please let me hear from you soon
I will come & see you as soon as —
convenient

Yours Truly

Major:

In obedience to instructions con-
 tained in your letter of 24th ult. I have
 the honor to forward herewith names of
 freedpeople murdered and assaulted with
 intent to kill, in my division from January

 and instances in which civil authorities have
 acted.

1 ↓ On 3rd July John Brown - freedman
 Group Co. was stabbed three times in arm & once in back
 penetrating nearly to the lungs - by Andrew H.
 Hamrick (white) about some work in the field.
 Hamrick is bound over to answer for assault
 with intent to kill.

11 ↓ On 7th Sept James Clemens a
 freedman of Harris Co. was murdered by
 (over)

4 white men partly disguised. for sending
his son off to avoid a whipping, an
inquest was held. but no further action
taken by civil authorities.

III ✓ On 13th Sept. George Grady a
freedman was shot at and whipped
nearly to death by Bill & Lewis Grady
John Gamble, Jim Ben Roberts and Jim
Martin (white men)

IV ✓ On 4th Aug. Harriett Grady -
freedwoman - wife of George. was badly
whipped and stamped upon by Bill and
Lewis Grady (white) she is still suffering from
these injuries. The Grady land in Harris Co.
and left a place this spring because they
were cut short in rationing. After two weeks
trial I had warrants issued for the arrest
of these white men for assault with intent
to kill, but am unable to get them served.
Civil authorities will do nothing.

V ✓ On 12th Sept. Hiram McGea
freedman - was murdered in Harris Co. by Paul
Hines (white), for no cause. Hines swore
he would kill somebody and deliberately shot

time. It said to be in Alabama. Civil author-
ities have done nothing.

VI ✓ On 10th Sept. Harry Hild-fredman

was a radical. A warrant was issued for
Woodruff's arrest but it has never been served
and he is now living at home in Memphis
Co.

VII ✓ On 14th Sept. Tom Joiner-fredman
Tenn. was stabbed twice, once in arm, and once
in leg - by Jesse Bennett (white) for refusing
to let his dog fight. Civil authorities have
done nothing.

VIII ✓ On 23rd Oct. Austin Haulley and
Dennis Haulley-fredman Tenn. were cut
by Jeff Alford (white) for claiming a settle-
ment. Austin was stabbed in the body and
Dennis in the hand. Not dangerous.
Civil authorities have done nothing.

IX ✓ On 25th Oct. Isaac Smith-fredman
Tenn. was murdered by three white men -
same names as their names. Smith left
a place this spring because he couldn't get
(over)

regular rations. Civil authorities have done nothing.
This report is of Murders
and assaults with intent to murder where such
intent could be proved. Numerous instances of
aggravated assaults - whipping &c. are not
included.

The Superior Court of Talbot Co.
do not appear to take any interest
in the welfare of the paupers of
the county. It is true the Court
has issued an order for \$60. for
the two freedmen, but this script
is worth only \$16.80 in currency.

Those freed people are unable to
take care of themselves, and are
left in a house without fire wood
or any means of making themselves
comfortable. In my opinion, the Supe-
rior Court should be compelled to
provide a suitable place for helpless
paupers.

them in, moved off the 1st July & left them
in my house I concluded on the score of
Common Charity to take care of them until
the Court should meet They met last Tuesday
they ~~met~~ passed an order for 60 dollars,
put them on the pauper list and left
them in my house. I had previously
rented the house to another man for
the present year for 60 dollars the ^{Court} refuses
or rather say they can do nothing more for
the Old Negroes & of Course that leaves them
upon me I am a poor man in poor health

from the Society but they refused to do anything.
The only cause of the Freedman being with-
out sufficient means of support is that there is
no money in the Treasury at present but will
be very soon and they will then certainly get
their pay.

The Judges regret very much that the Coun-
ty is so poor that cases of this kind cannot
meet with immediate relief and beg to say that
all in their power will be done to relieve all
paupers.

Yours of 5th Inst has had
the attention of the Judges of the Inferior Court
of this County and they direct me to say that
the two pauper freedmen in mention were sent
from the Hospital in Columbus to this place
and as soon as they arrived here the Judges
had a meeting and passed an Order for the
County Treasurer to pay them fifty Dollars
which is all that any pauper gets in the
County without discriminating in race or color
This was all that could be done at the time &
as there is no County funds in the Treasury no
pauper in the County has been paid anything.
The County had a Hospital but it was destroy-
ed by fire two years ago and has not been able
to rebuild.

The Judges besides granting the orders for
fifty Dollars called upon a Relief Society that
the freedmen have here and tried to get aid

Mr John E Bacon, President of the
~~pauper Freedmen~~ The two
pauper Freedmen sent to the Civil
authorities of this County were left by
the party who brought them from the RR
in a house belonging to me then in the pos-
session of a Freedman to whom it was
rented for the year 1867 he moved out
and left them there without any
thing to subsist upon I took care
of them until the Inferior Court met
thinking that they would take charge of them
but they only passed an order for 60 dollars
(which order would not buy more than 28 lbs
on the dollar) & put them on the pauper list
and left them in my house without any
bedding wood, or provisions. The Court
met last Tuesday. Since that time I have
notified the Court ^{that} I could not afford
to loose the rent of my House & that I
could not keep them there any longer
as the house was rented to another party
but I am perhaps saying more than is necessary
over

The point in the matter is this is
 there no proper authority to take
 charge of these poor old people
 or are they to be thrown upon the
~~poor~~ charity of the masses or are ^{they} to be
 supported by a poor Imbeciled Mechanic
 (as I am) who is not able to support
 his own family, all say that the
 Court ought to provide for them
 but ^{they} seem determined to stand still
 and do nothing, they say they have
 no money, I tell them that the old
 Blind people must be provided
 for & that it is not my business
 to support them & so the matter
 stands & so it will stand unless some
 higher authority take the matter in
 hand - Can you or have you
 the authority to adjust this matter
 please write to me or to the Court
 & have the matter adjusted

States that nothing has been done by the Court of Talbot County for the relief of the two negro paupers so long on his hands. That the Court say they can do nothing for them & the Clerk denies having stated in his letter that the Court intended to make provision for the paupers & that he still has them to support. That one of the Court said that only bayonets could force him to act in the matter &c. That after Saturday next he shall no longer feed the negroes when they must necessarily perish. &c.

Office Agent Bureau R F W A L
Butler Ga. February 1st 1868

Judges Inferior Court
Tallat County, Tallatton Ga.

Gentlemen.

I am informed that the two pauper freed men, charitably cared for by Mr. H. E. Williamson of Tallatton, - are about to perish by reason of Mr. Williamson's inability to longer provide for them, - the County having taken no effective action for their relief.

In answer to my inquiry relative to these paupers, your Court by its Clerk, J. L. Gunn Esq. on the 18th ult. replied that "all in the power of the Court will be done to relieve all paupers".

It is believed that the County, thro' its Inferior Court, - is able to make immediate provision for the comfortable maintenance of these two paupers.

It becomes my duty in the premises to again request the Court to take timely action to prevent starvation or suffering.

Very Respectfully Yours

Capt. J. B. Davenport, Agt. &c.

Dear Sir - Since your last letter nothing has been done by the Court of this county for the relief of the negro paupers so long on my hands. In fact, the Court say they can do nothing for them. The information communicated to you by the Court was incorrect. The Clerk, who wrote the letter, now denies having imported any such information in his letter. That is, he denies that he wrote you the Court intended to make provision for them by getting a place for them, or employing any one to take care of them. The result is that I still have them to support.

I shall, to-morrow, prepare a full statement of this case and lay it before Gen. Howard and Gen. Meade, with the correspondence; and after Saturday next, I shall no longer feed the negroes, when they must necessarily perish.

If neither the County Court nor the Bureau will take charge of paupers it is not incumbent on me to support

them. I have discharged my whole duty, ~~up the premises~~, and now my duty to my family will not permit me longer to rob them of what they need and what is their due.

The Court has manifested no disposition whatever to relieve me of these paupers, and it ought to be proof enough to you that they have not, in that they have permitted them so long to be a burden upon me. One of the Court said that only bayonets could force him to act in the matter.

All the facts shall be thoroughly ventilated at headquarters, and if the negroes are not taken out of my charge by Saturday, they will perish. My conscience will be clear in any event, and the blame shall be laid in the proper quarter.

Very Respectfully,

H. E. Williamson.

Maj. John Leonard,

Sac. Bureau &c - Columbus Ga.

Sir:-

I am directed to ask you to see if a good lot can be secured for school purposes in Columbus. We have a small appropriation & possibly can aid on a house there. Perhaps some individual or the city will donate a lot.

The title should be made for Public School purposes simply. It should be made to Trustees or to some Association permanently engaged in the school work.

There should be the condition that pupils are never to be excluded on the ground of race or color. The house will belong to the Bureau for the present - with the understanding that ultimately it will come under the control of the school authorities of the State.

As early an answer as possible is desirable; as we should get to work on the house, if at all, as soon as possible. Very respectfully

Dr. Major:

I have just received a letter from the Secy. of the Society - that will send teachers to Columbus this year, asking me to secure a home for the teachers. I have consulted with Col. Lewis & the following is the result: 1st - Have Secy of the leading school men, the colored men, will hire a house suitable for a home for six ladies, and furnish it in part or wholly. This is the way the people in Athens & Milledgeville do. 2^d - If that can't be done, please hire a house yourself, as convenient - as possible to both Churches. Have it - only for the month of Oct. (but with prospect of keeping it through year) for it may not suit. - Did Mr. Leonard or any of the teachers have any furniture in C.? If so please have it - moved to the house when you get it. Col. Lewis also suggested that - if there was no furniture there, it would be well to see if a house could be got - near where, the ladies could get ^{table} board. I suppose the teachers will reach there about - Oct. 1st; I have asked Mr. Chang, of this Society, to write you when the teachers would reach there, that you may be of any service to them in your power. I also told her that - I would ask -

Dear Sir.

Your note of this date has just been handed me and I forthwith reply. As I am perfectly willing at all times that my official acts should be open to scrutiny I return my answer to your request and have to make the following reply.

Mr James A. Chapman came into my office on the 29th inst (I believe) and called upon me for a warrant for the man Jerry, who he charged with simple larceny, and making the following affidavit, that said Jerry was guilty of the crime of simple larceny in this that the said Jerry did fraudulently take & carry away from the store of James A. Chapman &c in said city one bolt of ribbon of the value of three dollars with intent to steal the same &c &c which affidavit was sworn to & subscribed in my presence - whereupon the warrant was issued & the man arrested & brought before me for a hearing - I informed him of his rights to have

NARR 682

time to employ counsel to defend him or get up testimony - to which he replied he had none or could get none - I thereupon proceeded to the hearing - The evidence as well as I can remember was as follows Mr John Chapman a clerk in the store of James McChapman sworn - said that on the 14th of last month this man Jerry was in the store of James McChapman's, and a lady also then informed him that said Jerry had stolen a bolt of ribbon & put in his pocket - In the meantime the negro left the store and was outside - deponent went out after Jerry and demanded the ribbon. He denied having it - whereupon said deponent took it out of his pocket - that it was worth three dollars &c

Prisoner sworn, gave a confirmed account, saying he picked it up, was willing to pay Mr Chapman & other relevant statements.

The evidence producing in the mind of the Court the belief that there was probable cause to suspect the guilt

of the party accused - it was the duty
of the Court to commit him to jail
or give bond & security for his appearance
at Court - fifty dollars was the amount
on bond required - which Jerry being
unable to give as he said - was committed
accordingly -

This is the connexion that I have
had in the matter -

As for the motive Mr James A Chap-
man had in the matter I have no
Knowledge whatever and ^{it} was never
intimated to me -

There is no necessity for the boy to
lie in jail - he can give bond at
any time, or he can wave an in-
dictment & be tried to morrow or any
day for the offence before his Honor
Judge Howard of the County Court

Hoping this will prove satisfactory
I am very Respectfully

Yours &c
B. H. Crawford

in a few hours the Auction came forward
 with a distress warrant and levies it upon
 all, claiming the property for the rent on the
 Levy for services rendered by the guardian upon
 said farm. The Auction let the renter sell
 and get off, out of the country with the
 proceeds of sixteen bales of cotton and
 then comes in and claims what property
 is left for the rent, & told the administrator
 failed to comply with the law when he failed
 to take a note with security for the payment
 of the rent, and he by so doing slept over his
 rights to the property to pay the rent and that what
 is left should be distributed between the
 guardian for services rendered in making
 the crop of cotton that the auction let the rent
 sell and get off with the proceeds. I think
 Sir I have made the case sufficiently plain
 for your understanding and if any thing more
 be done for the relief of said guardian &
 laborers advise me what course to pursue.
 The Auction failed to take the security for
 the payment of the rent and let the party get
 off to take an Auction with the proceeds

of English bales of cotton and then
 comes in under the belief that the rent
 must be paid whether the prisoner get any
 thing or not. Some of the property will be
 sold the first Tuesday in March and I
 want some instruction what to do, I shall
 however if any thing is claimed by the Revenue
 Dept - the parties intend to resist to the extreme
 and the civil authority. Yours at service

Majr. J. H. Henshaw,

Sir,

Please furnish me, with the necessary Orders, for the transportation and admission to the Hospital, for Rebecca Wilkerson, freedwoman - fifty five, or sixty years of age, and blind.

Will a Ticket of admission to the Hospital at Atlanta, answer for admission to the Hospital at Columbus?

I have a ticket of admission to the Hospital, at Atlanta, for "Nathan, freedman - well ridden", but no transportation, and if transportation cannot be given, Columbus is much more convenient, than Atlanta - not more than one third the distance.

Having frequent applications, from aged, and infirm freedmen, for admission, to the Hospital, I would be glad to be fully instructed in the matter.

I informed D. D. of it and requested him to make such requisition. He agreed to do so, but has not yet made the requisition, and does not like to do so for the reason that he don't like to make the required Monthly Return. Major T. Mosbach,

Dr. Sir,

Perhaps, I was not sufficiently explicit, in my note of explanation, accompanying the Orders for Transportation, returned this morning, by the hands of 'Sick M. Laughlin a freedman, in charge of Mary Peoples, Insane'.

Two of those included in the Order - Sabiel and Sallie Williams, have made other arrangements, and as another, Sylvia Revill, has failed to avail herself of the benefit of the Order - after sufficient notice, I supposed, she had also, been otherwise provided for, and as it was best, for the remaining one, under all the circumstances to go directly to the Hospital - as I did not think the old man could secure transportation for himself under them. I deemed it proper to return them.

I thought the neighborhood where the Insane women, lived, would assist him, in conveying her, but they did not, he determined to go through, or foot. Since forwarding the Order, I am informed, that Sylvia Revill, has not been, otherwise provided for, but will probably refuse, to go to the Hospital. In that event, I know of no remedy. If it is necessary to obtain an order for admission, before she goes to Columbus, please furnish me with it. Sylvia Revill an aged freedwoman. I would respectfully state that I have authorized James Torry Esq. of this city to act temporarily as an Agent of the Bureau for Columbus and Muscogee County Ga. as it is impossible for me to give much personal attention to the many complaints and grievances - claims for wages especially - of the freedpeople here, in connection with the other duties of my office.

Mr. Torry offered his services gratuitously until Mr. Chapman, applicant for the Agency of this County should have been appointed.

He has been a Justice of the Peace for some time, and as such has discharged his duties in an unprejudiced and independent manner, thereby showing himself a true friend to the colored people.

In connection with our duties
we have just received the report of Mr. J. B. Smith

of the freedmen in that place and vicinity and
treatment by the whites. We do not have
the honor to state that we would things better
than I expected and the condition of the freedmen
is not worse than those of any other part of
the State. But it would be well and of great
benefit to have a good agent there who can ad-
vise the people and assist them in obtaining
justice and their rights before the local authorities.
I heard of a great deal of dissension among both
whites and blacks and of want of proper medical
attention to the freedpeople when sick. There are
said to be at least 25 persons making applications
for children suffering from the disease of
fever. This number only includes those who

citizens to have my supplies they were received

General

In accordance with Circular letter February 27th 67, I have the honor to submit the enclosed Contract for your decision.

Our course has always been to have a definite time fixed for payment of wages or giving the ^{freedmen} the ^{right} to accept that or to go on fact that some planters would speculate with their lands and delay paying the freedmen who would be compelled to remain on the same plantation whether they wished to or not.

Another item in regard to allowing interest on money advanced or loans, furnished the freedmen, I never allow it for any reason, I consider the money due the man at each month; and for deduction for lost time, I always allowed when absent with permission, or sickness, to be the same amount for day the laborer was receiving, but when absent without permission or against rules I allowed what the time was worth.

Will you inform me whether the above

rules meet with your approval, and shall I instruct

Sir,

I have the honor to transmit herewith Communication from Superior Court of Muscogee Co., relative to the transfer of destitute freedmen from the hospital at this place; and would state that on receipt of your letter of 24th inst. directing said transfer, I notified the Court in relation to instructions contained therein.

There are perfectly willing to receive said patients but owing to the utter insolvency of the County are at a loss how to provide for them.

I would respectfully suggest that if the hospital is to be worn up this winter a donation of provisions be made to the Superior Court for the benefit of said patients; The Chief or Agent of Bureau R. F. B. will see that proper application is made of the same.

Jan 1888

Report of Sub Asst. Commr. Sub. District of Columbus Ga.
for the month of January, 1848, containing the No. of Contracts
No. of Employes, average rate of wages, and general conduct
treatment &c of Freedpeople for the above named month,

No. of Contracts filed and registered in this office — 33
No. of Employes included in the above Contract — 67
Average rate of wages per month year — \$75
or 1/3 of the crop,

General Remarks

There is very little disposition manifested by the Freed people
to make Contracts for this year, and still less shown by
the planters to employ them. Considerable difficulty
is experienced in making settlements for last years
wages, from the fact that the planters have drawn
largely on their factors, and the cotton is then shipped
in the factors name,

Retained

Report of Sub Assistant Commissioner Sub District of
Columbus, Ga. for the month of August, 1868, containing
No. of Contracts, No. of Employees, average rate of wages,
and general conduct, treatment, &c of Freed people for
the above named month.

- i. No. of Contracts filed and registered in this office. None

General Remarks.

The Masters in this Sub District are discharging the Freed-
men for the slightest causes, and without remuneration
for their labour. Most of these discharges were made
for a portion of the crop. Evidently, the spirit of the Master
is to deprive the Freedmen out of the portion of the
crop that rightfully belongs to them.

Report of Contracts

Rece.

Report of Sub Assistant Commissioner Sub District of

the number of Contracts, number of Employes, average
rate of wages, and general conduct, treatment &c of Freed people
for the above named month,

ii. No. of Employes included in above contracts? 29

iii. Average rate of wages One third of the crop

General Remarks.

Many Planters in the Sub District of Columbus are discharging
colored people who were working for portions of the crop, without
any remuneration for their labour. We intend to compel Planters
to pay the colored people for their labour if possible.

I am informed by a number of justices of the Peace
that they are unable to enforce the law, particularly where
negroes are plaintiffs. Numerous murders and assaults
with intent to kill, and other outrages upon the freed people
are reported during the month of September, particularly in
Troup and Meriwether Counties. The civil authorities from
some cause have failed to bring the murderers to justice.

the No. of Contracts, No. of Employees, average rate of wages,
and general conduct, treatment, &c, of Freedpeople for the
above named month.

II. No. of Contracts filed and registered in this office? 0

III. No. of Employees included in above Contracts? 0

IV. Average rate of wages 0

General Remarks

No Contracts have been received during the month, &
The Agents at Columbus and Butler report many cases
of Complaints of Freedmen against their employers in regard
to wages. They state that the Colored people have no
confidence in the civil authorities, and look to them
for justice. During the month the Freedmen have been
busily engaged gathering the crop. They state that in many
instances, they are fearful attempts will be made by their
employers, to defraud them out of their portion of the
crop. Threats have been made that unless they vote the
Democratic ticket they will be discharged or driven off.

The Colored people have no confidence in the
civil courts and look to the officers of the Bureau for
justice. Much excitement and better feeling have been
excited between the Whites and the Colored people, have
been excited by the recent Census and in many
instances assaults have been perpetrated upon the Colored people.
